

From concept to completion, Zero Gravity Media Group offers a variety of services to meet your company's business needs. We specialize in the following services:

- Web Design
- Graphic Design
- Print Services
- Audio | Video Production
- Interactive Media

Web Site Services

What makes Zero Gravity Media Group unique is our proven ability to achieve the web pages that download quickly, have clean images, easy site navigation, and search engine friendly code — bringing your desired messages to your target audience with the utmost clarity and impact.

Zero Gravity Media Group can handle all of your web site needs such as:

- Site Design | Build | Integration
- Custom built web applications
- Search engine marketing

Whether it's a new site, a site redesign, or changes to an existing site, Zero Gravity Media Group can help you achieve your desired results.

Graphic Design Services

Zero Gravity Media Group is a full-service graphic design company that can centralize your graphics needs. Many graphic, print and web design projects that come our way require our specialty services:

- Print design
- Illustration and package design
- Photo scanning and retouching
- Product Catalogs | Corporate Brochures

Logo Design: We can work with you to create a logo that best expresses your company or product.

Invariably, your new logo will be reproduced on all manner of material, items and media. But even in this electronic age, your stationary and letterhead design remains the primary method through which your market will get to know your image.

What better way to promote your new logo then branding it on your new business cards, envelopes, and letterheads.

Photography: We have a range of photos that you can choose from to use for print work and/or incorporate into the design of your project.

Print Services

Zero Gravity Media Group can provide you several solutions to meet your printing needs, large or small.

- Business cards
- Brochures | Newsletters
- Posters
- Banners
- Catalogs
- CD | DVD Covers

Laminating, Mounting, Trimming services available.

For your convenience, we offer Electronic Transfer of your files so you can transfer from your computer to us for production.

Audio | Video Production

Zero Gravity Media Group can shoot your video or take the footage you have, edit it, set titles and add sound to it.

- Pre-Post Production
- Digital Editing
- Titling
- Voice Overs
- Streaming Audio | Video for your web site
- Custom audio effects, music, or video for your multimedia project

Interactive Media

With today's ever changing business needs, Zero Gravity Media Group can put all of your ideas into a complete presentation; an interactive multimedia package.

To enhance the experience, your interactive Disc can include the following:

- Your business information
- Digital photos
- Video | Animation
- Audio | Music | Voice-Overs
- Link to your web site

Our cutting edge technology showcases your business with videos, photos, text and Web links all on one organized and easy to use Disc.

At Zero Gravity Media Group, we make our customer an important part of our design team. From the first draft to the final product, you can view your project in progress and give us your feedback immediately, ultimately saving you time and money.

There are **endless possibilities.**
